

# NESST 2023

## Sponsorship Opportunities

After 10 years we have changed our name, Northern Emergency Support Services Training, is now **Network of Emergency Support Services Teams (NESST Society)** and we have applied for and received Society status. These changes better reflect our membership throughout the province, and allows us to ensure year round activities, and to provide better incentive for our conference and year-round sponsors.

The 2023 conference will be returning to the Prince George Civic Centre, from April 21-23, 2023 and will incorporate some of the best parts of the on-line conferences that were held during COVID.

The majority of NESST members are volunteers, thus, every year we strive to ensure that conference costs are kept as affordable as possible. To do this we rely heavily on corporate sponsors, and work to recognize those sponsorships at conference and throughout the year.

We encourage you to review the sponsor details in this document and contact our sponsorship chair for more information:
